Uckfield Lions Membership Process

Thank you for your interest in joining Uckfield & District Lions Club.

The membership process we use is designed to ensure that any prospective member has sufficient opportunity to get to know the existing members of the Lions and to understand more of the type of work and commitment undertaken by Uckfield Lions. The process also allows the existing members of the Club to get to know any prospective members.

If you are known to at least three existing members of the Club and have a good understanding of the commitments required to be a Lion then you can opt for the Fast Track through this process. Please have a chat to your Sponsoring Lion as soon as possible if you wish to follow the Fast Track.

The following outlines the process which will take around 4 months before becoming a full member of the Club.

We Serve—The Lions Motto

The Process

Your initial contact for the Lions will invite you to 1 Business meeting and 1 Diner meeting. These are held on the 2nd and 4th Wednesday's of each month respectively.

Following the attendance at both meetings the Membership committee will allocate you a Sponsoring Lion who will assist and guide you through the work of the Lions.

An initial interview with the Membership Committee, the Sponsoring Lion, you and your partner will then be arranged where the basics of Lions, the commitments and your initial thoughts will be discussed.

Then for the following 3 months you will attend the meetings and any events as any Lion does. During this time your Sponsoring Lion will make sure you meet as many of the members as possible and understand the meetings and various events we undertake. During this time you should also have the opportunity to attend both of the main committees, Finance (raising the money) and Service (spending it).

Following the 3 months a 2nd interview will be arranged to check that you have enjoyed and understand the commitment and work of being a Lion and to answer any further questions you have. At the next Business meeting the Membership Committee will make a recommendation to the full Club membership. We ask that you do not attend

this meeting as there will be a vote on the recommendation of the Membership committee. Assuming all goes well you will be welcomed as a Lion at the next Business meeting or suitable full Club gathering.

Fast Track Process

For prospective members known to at least three existing Club members there will only be one interview after the attendance of at least 1 Business and 1 Diner meeting. This will be a combination of the 1st and 2nd interviews in the normal process and will then be recommended to the Club as per the normal process.
