## Uckfield and District Lions Club

**LIONS** is an International Organisation that provides service to people in need. There are more than 950 Lions Clubs in Britain and Ireland adding up to around 22,000 members.. Uckfield Lions have been serving the community around the Uckfield area since 1969.

The principle aim is to provide help or raise funds for those in need. Activities vary from the ambitious to the most humble.

The type of events we run and the help and service we provide is very varied—Drug Awareness kits for schools, Eye Health presentations, Diabetes Testing, an Xmas Party and Sunday Outings for the Elderly, also many will have seen, or even joined in, the Hastings Lions 1/2 Marathon which is now a regular fund raising event which Uckfield Lions help marshal.

One of the regular Service activities of Uckfield & District Lions is the provision of a community mini bus. With the help of a grant from the Countryside Agency, Uckfield & District Lions took delivery of a new Mini Bus at the end of November 2002 to ensure this valuable service can continue to be provided for many organisations around Uckfield.

For the Youth of the community, we have sponsored a local football side with kit, sponsored individual boys and girls in helping them achieve their aspirations especially when they are helping others.

Lions Clubs also organise social events for the enjoyment of the members and their friends. Various events involve other Lions clubs in our area and are always well supported. The list of activities is endless and always a lot of fun.

Regular international projects include fund raising for eye camps. These are field hospitals where sight is restored. During the last 10 years, Lions have helped nearly 200,000 people to see again.
